Rep. Mendel Rivers (D-S.C.), Chairman of the Committee on Armed Services, today announced the appointment of a ~~subcommittee~~ ~~to visit Vietnam~~ ~~during the period March 23-April 4.~~ The subcommittee will particularly be looking into U.S. military construction programs in Vietnam and living conditions of American troops.

"I am asking the members to give particular attention to the military construction program in Vietnam, including the development of port facilities and construction of airfields. Our committee will shortly be holding hearings

on the military construction authorization measure for fiscal 1968 which includes projects in Vietnam.

"I am also asking the subcommittee to give special attention to the cantonments where our troops are living.

"I want to express my appreciation to each member of the subcommittee for voluntarily sacrificing his Easter Recess that he would normally spend with his family and his constituents in order to undertake this important assignment."

~~Members~~ of the subcommittee in addition to Mr. Byrne are:
